

People to Watch

Michael Sullivan, M.D. Named to Maine Board of Licensure in Medicine
Certified by the American Board of Family Practice, Dr. Sullivan has been associated with NMMC since 2007 when he was initially the Medical Director of the Emergency Department. He later took on a leadership role as Chief Medical Officer of NMMC and its Medical Practices while continuing to practice in the ED. Over the last two years, Dr. Sullivan transitioned his practice to the inpatient side of medicine where he is now a member of the Hospitalist Team, managing the care of inpatients.

Congratulations!

New -Wireless Fetal Monitoring

*Make your birthing experience **extraordinary** by choosing Northern Maine Medical Center for your labor and delivery experience!*

Recognized nationally as a top performing hospital in safety and quality, our full service maternity suite caters to your unique needs –whether it is aromatherapy, the soothing waters of a labor tub or non-pharmacologic pain management options. We also have a certified lactation consultant on site for your convenience and we offer free childbirth preparation classes.

We utilize the latest in wireless monitoring systems, allowing you the utmost freedom of movement and control of your experience during labor.

To learn more, call us at 834-6140.
